

THE FLAVOR CONTINUES

Fundraiser Volunteer

About:

The Flavor Continues (TFC) est. 2019, is a non-profit 501(c)(3) organization based in Greater Boston, Massachusetts, USA. Spearheaded by members of the street and club dance community, TFC pursues the creation of a sustainable foundation for the culture. The formation of this organization is in response to the never ending need to provide resources and uplift those in the marginalized communities through pursuit of education, employment equality, and social justice. Seeing value in the spiritual, physical, emotional, and mental blessings various street and club dance cultures bring to the world, TFC has a centralized goal in sharing these gifts with the general public by providing boundless opportunities for participation.

Starting as an organization focused solely on curating dance events, TFC soon found themselves at the intersection of historical and community preservation, education, and public health. Now, TFC seeks to evolve the culture by continuing to serve through transformative and novel methods in its programming. In collaborative efforts to work alongside other organizations and individuals, TFC strives to open up opportunities for fellow creatives to strengthen their connections with one another through various mediums and platforms, generating an ecosystem that fuels and bridges both the creative and professional landscape. In joining us, you will become a part of the journey in trailblazing for our community by partaking in our efforts of hosting events, community engagement opportunities, working with the youth, or in other projects around cultural cultivation.
